Prolongation of Certificate of conformity of the Factory Production Control

Dear Mrs. Collins-Hall,

On behalf of TÜV Nederland QA (Notified Body 1231) I want to congratulate you on Prolongation of Certificate of conformity of the Factory Production Control. As is known to you, there will be next (un) announced inspection visit carried out according the frequency set by EN 1090. Accordance with Annex B of EN 1090-1 the next visit for prolongation of the certificate will be executed accordingly.

In accordance with the frequency of inspection visits, it is scheduled for in **August/September 2019**. Exact date will be communicate in beginning of next year in 2019. Approximately two weeks before the visit the agenda of the audit will be sent to you as well as a listing of the auditing topics.

Reports of changes in personnel, process, location, materials and / or equipment must be reported in all cases to TÜV Netherlands and to be addressed to us and in writing at the moment of occurrence. In consultation with you, we will determine case by case whether an extra inspection visit is necessary or it can be postponed to the next inspection visit or it can be handled by administrative actions. Please use in all communications the reference of the above number.

The validity of your certificate will be retrievable via the website of TÜV Netherlands (www.tuv.nl). This indicates only basic information on the existence and validity of the certificate. There will be no business data or names to be found of yourself. So in case of communication with your customers about validity, you need to use the reference number of the certificate: 2400-A-780

We also request that you complete the enclosed customer evaluation form and mail it as PDF to us
We trust to have informed you sufficiently.

Sincerely,

TÜV Nederland
